ALPHABETICAL INDEX FOR CLIMATOLOGICAL SERVICE MEMORANDUMS

No. 16 DATED OCT 18, 1950 THRU No. 24 DATED NOV 2, 1951

October 31, 1951

ALPHABETICAL INDEX FOR CLIMATOLOGICAL SERVICE MEMORANDUMS NO. 16 THROUGH NO. 24

(NOTE: CSM number and items are shown as 18-4 for CSM NO. 18, ITEM NO. 4.)

INSTRUCTIONS

A.

Annual Greetings for Cooperative Observers..... 24-1

B.

Biographical Write-up for Cooperative Observers.....
Bulletin..... 16-1

C.

Changes in Flood Stages..... 21-4; 24-3
Charts of Freeze Dates and Freeze-Free Periods..... 20-3
Climatological Data, Forwarding to Central Office..... 17-4
Climatological Data, Recurring requests for,
prior to publication..... 17-1
Climatological Manual..... 24-5
Cooperative Observers, Annual Acknowledgment..... 16-1
Cooperative Observer Bulletin..... 18-3
Cooperative Observers, Long Service..... 23-1

D.

Discontinuance of Machine Form 5201..... 22-1
Distribution of Machine Copies of W.B. Form 1009
to First-Order Stations..... 22-4

E.

Entering Precipitation and Snowfall on Forms 1006
and 1009..... 16-5
Entry of Evaporation Amounts to Hundredths..... 16-3
Estimating Precipitation Amounts from Snowfall..... 20-5
Evaporation Amounts, recordings of..... 16-3

F.

Field Aides, Furnishing copies of Memoranda to..... 19-4
Flood Stages, Changes in..... 21-4; 24-3
Forms 1006 and 1009..... 16-5
Forms 1006 and 1009, Identification of..... 21-1
Forms 1006, Routing of..... 20-3
Form 1009, Machine, Distribution to First-Order
Stations..... 22-1
Form 1011..... 19-5
Form 1024, Entry of evaporation to two decimal
places..... 16-3

Form 1024, Instructions for checking and Processing... 19-2
Forms 1053A, B, C, and F..... 18-4
Form 1067..... 18-6
Form 1078, Use of, for substation records..... 16-2
Form 1090, Daily Crop Weather Report..... 17-3
Form 4004B, Zero elevation Graph in..... 22-3
Form 4035A..... 21-3
Form 4052, Request for remittance for publications.... 16-4
Forms 5201, Discontinuance of..... 22-1
Forms 5201, Need for..... 19-1
Forwarding Climatological Data to Central Office..... 17-4
Freeze dates and freeze-free periods, charts of..... 20-3
Furnishing copies of Memoranda to Field Aides..... 19-4

H.

Hydrologic Network, supervision of services at
substations in..... 18-1

I.

Identification on Forms 1006 and 1009..... 21-1
Index, comprehensive for Climatological Service
Memorandum..... 24-5
Instructions for Checking and Processing
Evaporation Forms..... 19-2

L.

Letters from Chief to long service cooperative
cooperative observers..... 23-1
List of River and Rainfall Substations..... 19-3
Loan of records..... 17-2
Long Service Cooperative Observers..... 23-1

M.

Manual of Climatology..... 24-5
Maps, Climatological Data base..... 18-2; 22-2
Material for River District Service Manuals..... 21-5
Maximum Temperatures, setting back..... 20-2
Moving Substations Across State Lines..... 23-2

N.

Need of Form 5201..... 19-1
Number of copies of Weatherwise..... 17-5

P.

Precipitation, entry on Forms 1006 and 1009..... 16-5
Publications, request for remittance for..... 16-4

R.

Records, loan of..... 17-2
Recurring requests for Climatological Data prior
to publication..... 17-1
Request for Remittance for Publications..... 16-4
River and Rainfall Substations, list of..... 19-3
River District Service Manuals, material for..... 21-5
Routing and disposition of Weighing Rain Gage
Charts and manuscript records from which
data are not published..... 24-4
Routing of Forms 1006..... 20-4

S.

Services at Substations in Hydrologic Network..... 18-1
Setting back Maximum Temperatures..... 20-2
Snowfall, estimating precipitation amounts from..... 20-5
State and division averages..... 16-6
Substations, moving across state lines..... 23-2
Substation records, Section Center files of..... 16-2; 18-6
Supervision of services at substations in the
Hydroclimatic network..... 18-1

T.

Table 1, Weighted State averages..... 20-1
Temperatures following period of missing record..... 20-6
Time of Observation..... 18-5

W.

Weatherwise, number of copies..... 17-5
Weighting state averages in Table 1 of
Climatological Data..... 20-1; 21-2
Weighing Rain Gage Charts from which data are
not published, routing and disposition of..... 24-4

Z.

Zero Elevation Graph in Form 4004-B..... 22-3

GENERAL

A.

otion sheet for substation changes..... 20-13
nnual acknowledgments for Cooperative Observers..... 16-10

C.

Certificate of Award for Outstanding Service
to the Public..... 23-2
Cooperative Observers Newsletters..... 21-6
Cooperative Observer Newsletter material..... 16-7
Cooperative Observer, request made upon by
other agencies..... 21-8
Cooperative Observers, training of..... 22-8
Climatoligical Data, Table 2 17-6
Climatoligical Records in National Archives,
list of..... 20-12

D.

Degree days in Climatological Data..... 16-6
Dividing Tables..... 20-4

E.

Expansion file folders..... 18-7

F.

File folders, expansion..... 18-7
Filing substation forms..... 18-16
Folders, expansion, for use of substation
observers..... 18-7
Forms 531-1, Routing of..... 23-6
Form 1009, travel through a Processing Center..... 21-7
Form 5201..... 20-7
Freeze-free charts..... 23-5

H.

Hydrologic Bulletin File..... 17-7

L.

List of Climatological Records in National Archives... 20-12

M.

Map back, weather and corn..... 23-4
Maps, base, standard for determining
substation locations..... 16-9
Material for Cooperative Observer Bulletin..... 16-7
Missing period of temperatures, publication of
data on following day..... 18-8
Monthly climatic data of the world..... 16-8

N.

Newsletter, cooperative observers..... 21-6
Newsletter material..... 16-7
Normals, revision of..... 19-6; 20-8
Normals, substation 20-9

O.

Outstanding service to the public, Certificate
of Awards for..... 23-3

P.

Preferred Arrangement of material in Weekly Weather
and Crop Bulletin..... 22-5; 23-7
Proposed charts of freeze dates and freeze-free
periods..... 23-5
Publication of Degree Days in Climatological
Data..... 16-6
Publication of Temperatures for the Day after
a missing period..... 18-8

R.

Records, substation, filing of..... 18-6
Requests made upon substation observers by
other agencies..... 21-8
Revision of normals..... 19-6

S.

Sferics Evaluation Project..... 22-7
Should Farmers Gamble with Frost..... 20-10
Standard Base maps for determining substation
locations..... 16-9
Subscriptions to Weatherwise..... 19-7
Substation changes, action sheet for..... 20-13
Substation Records..... 18-6
Substation visits..... 22-6

T.

Table 2 of Climatological Data..... 17-6
Tables for Dividing..... 20-4
Training of Cooperative Observers..... 22-8
Travels of Form 1009 through the Processing Center.... 21-7

V.

Visits to substations..... 22-6

W.

Weather and Corn, back of Daily Weather Map..... 23-4
Weatherwise subscriptions..... 19-7
Weekly Weather and Crop Bulletin, preferred
arrangement of..... 22-5; 23-7
