ALPHABETICAL INDEX FOR CLIMATOLOGICAL SERVICE MEMORANDUMS
NO. 43 THROUGH NO. 52 (Issued March 28, 1956)
(NOTE: CSM number and items are shown as 44-1 for CSM No. 44, Item 1.)

INSTRUCTIONS

A.

Area Hydrologic Engineers, Part in Coordinating Actions with Other Governmental Agencies..... 43-3

C.

Climatological Record Books 43-5
Coordinating Actions with other Government Agencies, Area Hydrologic Engineers part, in..... 43-3

H.

Hook Gage, Lubrication of..... 43-2

L.

Lubrication of Micrometer Hook Gage..... 43-2

M.

Mailing of Weighing Rain Gage Charts to NWRC..... 43-1

P.

Punch Cards, Shipping to NWRC from WRPC's..... 43-4

R.

Rain Gage Charts, Mailing to NWRC..... 43-1

S.

Shipping of IBM cards from WRPC's to NWRC..... 43-4

W.

Weighing Rain Gage Charts, Mailing to NWRC..... 43-1

GENERAL

A.

A Message from the New Chief of Climatological Services Div..... 44-1
Activities of State Climatologists..... 52-12
Advisory Committee on Climatology..... 47-1
Agricultural Programs..... 48-8
American Academy of Allergy, Cooperation with..... 52-3
Arkansas Tornado Data..... 49-2
Atlas, Map Standardization..... 48-7

B.

Bench-Mark Stations..... 48-2
Bibliography, Climatological..... 51-4
Books for State Climatologist Libraries..... 48-4
Bulletin W Supplement..... 45-2; 46-3

C.

CD Base Maps, Distribution of..... 51-6
Change in Flood Stage..... 43-7
Circular B..... 47-7
Circular B, Revised..... 51-8
Civil Defense..... 52-11
"Climate and Man"..... 52-6
Climate of the States, Revision of..... 44-2; 45-7
Climate of the U. S..... 49-12
Climatic Bench-Mark Stations..... 48-2
Climatic Studies, Demand for..... 52-2
Climatography of the United States..... 48-11
Climatological Bibliography..... 51-4
Climatological Data Weather Stories..... 48-13;52-7
Climatological Services of the U.S. Weather Bureau..... 49-7
Climatological Services of the U.S. Weather Bureau (pamphlet form) entire CSM..... 50
Climatological Summaries for Substations..... 48-6
Computation of Heating Degree Days for Clim. Substation Summaries..... 48-5
Conflict of Interest..... 51-13
Cooperation with the American Academy of Allergy..... 52-3
Cooperative Observers, Court Attendance..... 47-2
Coordination with Federal Civil Defense Admin..... 52-11
Court Attendance on the Part of Cooperative Observers..... 47-2
Crop Message..... 45-5
CSM Items, Index for..... 43-9
Current Observational Data, Requests for..... 49-4

D.

Data Required to Describe the Climate of the U.S., Its Possessions and Its Territories..... 49-12
Degree Days, Computation of..... 48-5
Demand for General Climatic Studies..... 52-2
Departmental Interest in the Substation Summary Program..... 49-1
Department Order No. 77..... 51-13
Discontinuance of Section Centers..... 45-1
Discontinuance of the Term "Killing Frost" or "Freeze"..... 47-5; 48-14
Distribution of State (or Section) Maps..... 51-6
Distribution of Substation Summaries..... 51-3
Division and State Normals..... 45-3
Division of State Averages and Departures..... 45-4
Dry and Wet Spells, Hand Tabulation of Runs..... 48-12

E.

Earlier Close-Out Date for Substation Reporting Forms..... 46-10
Earlier Transmittal of Weekly Crop Message..... 45-5
Early Receipt of LCD Annuals..... 52-13
Educational Background of State and Area Climatologists..... 49-10

F.

Filing of Weekly Weather and Crop Message..... 44-6
Flood Stage, Change in..... 43-7
Forms 531-1..... 44-4
Forms 614-4..... 46-8
Forms 1034A, Routing of..... 43-6
Forms 1053A, Mailing of..... 46-6
Forms 1066, furnishing copies to Newspapers..... 46-7
Forwarding Copies of Weighing Rain Gage Charts to Substation Inspectors..... 51-11
Freeze Maps for Louisiana..... 49-8
Furnishing Machine Copies of Form 1066 to Newspapers..... 46-7

H.

Hand Tabulation of Runs of Dry and Wet Spells..... 48-12
Historical Changes in Instructions for Recording Snowfall and Snow on Ground..... 49-6
History of Weather Bureau Stations..... 48-3

I.

Identification of Roof Exposures in CD Index..... 46-9
Index for CSM Items..... 43-9
Indicated Surface Cover and Soil Type for Stations Where Soil Temperatures are Published..... 48-15
Installation of TWX at WRPC's..... 47-6

K.

"Killing Frost or Freeze", Discontinuance of the term..... 47-5; 48-14

L.

LCD Annuals, Early Receipt of..... 52-13
LCD Annuals, Review of Narrative Summaries..... 52-9
LCD Supplement, Publications..... 48-16

M.

Mailing Forms 1053A from First-Order Stations to State Climatologists' Offices..... 46-6
Maintenance of Quality of Records and Early Availability of Data..... 46-2
Map Standardization for Loose-Leaf National Atlas..... 48-7
Mentioning Pay to Unpaid Observers..... 46-12
Message from New Chief of Clim. Services Div..... 44-1
Monthly Temperatures, Standard Deviation..... 49-9

N.

New National Record Low Temperature..... 43-8
Normals..... 45-3; 46-1
49-11; 51-7
52-1

O.

Observers, Pay..... 46-12
Occupations-Arkansas Cooperative Observers..... 51-12
Original Records, Retention of..... 46-11

P.

Part Time Stations, Publication of Data from..... 52-10
Participation in Agricultural Programs..... 48-8
Precipitation Gage Shields..... 51-9
Preliminary Reports on Storms of Near-disaster Proportions..... 47-4
Preparation of Forms 531-1 for Stations Reporting River Stages..... 44-4
Progress on Bulletin W Supplement..... 46-3
Progress Report on Substation Summaries..... 51-2
Publication in Clim. Data of Division and State Averages and Departures..... 45-4
Publication of Data from Part-time Stations..... 52-10
Publication of LCD Supp. for Stations where Hours of Operation have been Reduced..... 48-16

Q.

Questionable Values to be Indicated in Early Substation Records..... 47-3

R.

Record Low Temperature..... 43-8
Records, Indicating Doubtful Values..... 47-3
Records, Quality of..... 46-2
Records, request for..... 44-5
Records, Substation..... 44-3;46-4
Refinement of the Clim. Substation Network..... 48-1
Relief for State Climatologists..... 49-5
Report from Alaskan Territorial Climatologist..... 51-5
Report of Weather Subcommittee..... 52-4
Report on Filling State Climatologists Jobs..... 51-1
Report on Severe Storms..... 47-4
Requests for Current Observational Data..... 49-4
Requests for Original Substation Forms During 1954..... 48-9
Requests for Records of Published Data Available at NWRC but not at WRPC or Section Centers..... 44-5
Retention of Original Clim. Record..... 46-11
Review of Narrative Summaries for LCD Annuals..... 52-9
Revisions of "Climate of the States"..... 44-2;46-5
Routing of Records from Coast Guard and Lightship Stations (including Forms 1034A Great Lakes Weather Observations at Coast Guard and Other Lake Stations)..... 43-6

S.

Section Centers, Discontinuance of..... 45-1
Selection of Northeastern Area Climatologist..... 48-10
Severe Storms, Report on..... 47-4
Shields, Precipitation Gage..... 51-9
Snowfall, Changes in Recording..... 49-6
Soil Temperatures..... 49-3;48-1
Soil Temperature Records..... 52-8
Standard Deviation of Monthly Temperatures..... 49-9
State Climatologists, Activities of..... 52-12

State Climatologists, Educational Background..... 49-10
State Climatologists, Jobs..... 51-1
State Climatologists, Relief for..... 49-5
State Normals..... 45-3
Substation Clim. Summaries..... 48-6;51-2;
51-3;52-2
Substation Departures from Normal..... 49-11
Substation History Forms Required for Substation Summaries..... 52-5
Substation Names..... 45-6
Substation Network..... 48-1
Substation Normals Program..... 51-7
Substation Records..... 44-3;46-4
Substation Reporting Forms..... 46-10

T.

Text Revision for "Climate of the States"..... 45-7
Thermographs at Substations..... 51-10
Tornado Data for Arkansas..... 49-2
TWX at WRPC's..... 47-6

U.

Use of the Word Normal..... 52-1

W.

W.B. Form 614-4..... 46-8
Weather Bureau, Clim. Services of..... 49-7
Weather Bureau Stations, History of..... 48-3
Weather Stories in Clim. Data..... 48-13
Weather Subcommittee, Report of..... 52-4
Weekly Weather and Crop Message, Filing of..... 44-6
Weighing Rain Gage Charts, Forwarding Copies to Substation
Inspectors..... 51-11
Writing CD Weather Stories..... 52-7

FOR WRPC's

A.

Amendment to Instructions..... 43-11
Amendment to Procedures..... 44-8;45-8
46-16;47-8
48-17;51-14

C.

Change in Procedures..... 46-14
Climatological Data, Annual, Table 3..... 44-9

F.

Forwarding Local Clim. Data to the Central Office..... 43-10

I.

Identification of Roof Exposures in Clim. Data Index..... 47-9
Interpolated Precipitation, Punching of..... 44-7;46-13
Interpolating Missing Precipitation Data..... 46-13

L.

LCD, Forwarding to Central Office..... 43-10
LCD, Supplement..... 45-9;46-15

P.

Procedures, Change in..... 46-14
Publication of LCD-Supplement for Stations where Hours of
Operation have been Reduced..... 45-9
Punching of Interpolated Monthly Precipitation Amounts..... 44-7

R.

Roof Exposures, Identification of..... 47-9

T.

Table 3 in Climatological Data Annual..... 44-9
Time Heading on LCD-Supplement..... 46-15
