ALPHABETICAL INDEX FOR CLIMATOLOGICAL SERVICES MEMORANDUMS NO. 62 THROUGH NO. 70

(NOTE: CSM number and items are shown as 62-6 for CSM No. 62, Item No. 6.)

GENERAL

A.

Activities of State Climatologists. 69-18
Advisory Committee on Climatology, Report of. 68-1
Advisory Committee on Climatology, 6th Meeting of 65-1
Advisory Committee on Climatology, 7th Meeting of 69-1
Agricultural-Meteorology Conference, New Haven, Conn., October 22-24, 1958 69-2
Air Conditioning Job. 65-8
American Society of Agronomy Committee on Meteorology and Climatology 70-3
Atmospheric Disturbances. 68-11

B.

Bench-Mark Program, Status of 64-6
Bulletins from Experiment Stations. 64-10

C.

Cash Awards for State Climatologists. 63-14
Charleston, South Carolina, Long Climatological Record. . . . 70-8
Climates of the States. 65-2; 68-4; 69-16; 70-6
Climatic Summaries, Preparation of. 64-3
Climatological Data, Discontinuance of Narrative Weather Story in. 62-3
Climatological Data Interpreted as Predictions. 63-3
Climatological Data, National Summary, Reprints of. 69-12
Climatological Data Weather Story 64-1; 68-10
Climatological Data Weather Story, Notifying WRPCs Concerning. 68-10
Climatological Divisions. 65-7
Climatological Observations, Time of. 69-5
Climatological Publications Furnished by Office of Climatology 64-4; 65-14
Climatological Services of the U. S. Weather Bureau . . . . . 66 (Entire issue)
Climatological Services Memorandum Index. 62-14
Climatological Station Definition 63-2
Climatological Summaries, Substation. 62-7
Clipping Service, Press 68-12
Collection of Crop Information in Winter Season 69-10

M(06)
U587cl
no.62-70
c.1

Commission for Agricultural Meteorology, Warsaw Meeting . . 69-3; 70-1
Committee on Meteorology and Climatology, American Society of Agronomy 70-3
Cooperation with State Highway Departments. 68-8
Cooperative Observers, Responsibility to. 62-2; 63-5
Cooperative Observers to get "Weather". 68-3
Copies of Weather Stories Prepared for Press or Other Release 64-8
Cut-Down in New Station Establishments. 63-1; 64-5

D.

Data from CAA Stations. 65-10
Definitions of Normals and Stations 63-2
Dial-Type Thermometers. 65-6
Director at National Weather Records Center 65-13
Discontinuance of Narrative Weather Story in CD 62-3

E.

Evaporation Measurements. 69-4
Evapotranspiration Data 69-8
Evapotranspiration, Publication on. 63-12
Experiment Station Bulletins. 64-10

F.

Form 614-3. 64-9
Form Letter, Pollen Count 70-7
Furnishing Weather Data from Substations. 68-7

H.

"Holding the Line" on new Substations 63-1

I.

IGY Northern Hemisphere Charts to be Prepared at NWRC . . . 62-9
IGY World Data Center-A Meteorology at NWRC 62-10
Illinois State Climatologist Honored. 69-14
Index for Climatological Services Memorandums 62-14
Index of Stations by Counties 70-4
International Association of Meteorology, Meeting in Canada. 62-1
Interpretation of Climatological Data as Predictions. . . . 63-3
Iowa Agricultural Adjustment Center 63-7

L.

Layout of "Climates of the States". 68-4
Leave, Annual for State Climatologists. 62-13
Lilac Bloom in Montana, Phenology of. 63-13
Long Climatological Record at Charleston, South Carolina. . 70-8

M.

Meeting of Advisory Committee on Climatology. 65-1
Meeting of International Association of Meteorology in Canada 62-1
Meteorologist Concerned with Interaction between Soil and Atmosphere 62-6
Minutes of Seventh Advisory Committee on Climatology. . . . 69-1

N.

Narrative Stories for "Climates of the States". 69-20
Narrative Weather Story in CD 64-1
Narrative Weather Story in CD, Discontinuance of. 62-3
National Atlas Base Maps. 65-15
Naval Officers Visit, San Francisco WRPC. 68-13
NC-26, Progress of. 63-8
New Central Area Climatologist. 69-17
Nomenclature for New Temperature - Dew Point Systems. . . . 68-14
Normals Definitions 63-2
Notifying WRPCs Concerning CD Weather Story 68-10
NWRC to be World Data Center-A for Meteorology. 62-10
NWRC to Prepare IGY Northern Hemisphere Charts. 62-9

O.

Observations of Soil Temperature. 63-4

P.

Phenology of Lilac Bloom in Montana 63-13
Plan to Obtain Brief Climatic Data from First Order Stations. 70-5
Pollen Count Form Letter. 70-7
Preparation of Climatic Summaries 64-3
Press Clipping Service. 68-12
Progress of NC-26 63-8
Progress Reports. 64-2
Publication of 25-Year Means of Temperature and Precipitation 62-5
Publication on Evapotranspiration 63-12
Publications Dealing with Climatology 65-5
Publications Furnished by O/C to State and Area Climatologists. 64-4; 65-14; 68-9; 69-19; 70-9
Punched Card Files Grow 63-11

R.

Recent Air Conditioning Job 65-8
Regional Project W-48 62-8

Report of Advisory Committee on Climatology 68-1
Reporting of Papers Prepared or College Work Completed. . . 69-11
Reports of Progress 64-2
Reprints of Sections of CDNS. 69-12
Responsibility to Cooperative Observers 62-2; 63-5

S.

Severe Weather Card 68-6
Soil a Concern of the Meteorologist 62-6
Soil Temperature Observations 63-4
Special Severe Weather Card 68-6
Special Tabulations, Summaries or Publications. 69-13
State and Area Climatologists, Publications Furnished to. . 64-4; 65-14; 68-9
State Climatologists get Cash Awards. 63-14
State Climatologists on Annual Leave. 62-13
State Climatologists Title. 63-9
State Highway Departments, Cooperation with 68-8
Status of Climatological Bench-Mark Program 64-6
Storm Damage Report 69-7
Storm Reports by State Climatologists While on Leave. . . . 62-4; 63-6
Subpoena Process. 65-11
Substation Climatological Summaries 62-7
Substation Establishments, Cut-Down in. 63-1; 64-5
Substation Inspection 65-3
Substation Network Maps, Availability of Copies 69-9
Substation Observers, Weatherwise for 63-10
Substation Summaries. 65-9; 68-5; 69-6
Substations, Furnishing Weather Data from 68-7
Supervision of State Climatologist. 65-12

T.

Temperature - Dew Point Systems, Nomenclature for New . . . 68-14
Thermometers, Dial-Type 65-6
Thirty-Day Outlook in Weekly Weather and Crop Bulletin. . . 64-7
Time of Climatological Observations 69-5
Title of State Climatologist. 63-9
Tornado Article in State Municipal Reviews. 65-4
Travel to Scientific Meetings to Present Papers 69-15
Twenty-Five-Year Means of Temperature and Precipitation, Publication of. 62-5

U.

Unofficial Weather Records. 70-2
Use of 30-Day Outlook and Water Supply Forecast in Weekly Weather and Crop Bulletins 64-7

V.

Visitors to Office of Climatology 62-11
Visitors to San Francisco WRPC. 62-12

W.

W-48 Project. 62-8
Warsaw Meeting of Commission for Agricultural
Meteorology, CAgM 69-3; 70-1
Weather Bureau Manual 64-12
"Weather" for Cooperative Observers 68-3
Weather Records, Unofficial 70-2
Weather Stories Prepared for Press. 64-8
Weatherwise for Substation Observers. 63-10
Weekly Weather and Crop Bulletins, Articles for 65-16
Weekly Weather and Crop Bulletins, Copies for Library . . . 64-11
Western Regional Technical Work Planning Conference
for Soil Survey 68-2
World Data Center-A for IGY to be at NWRC 62-10

FOR WRPCs

Amendments to Procedures. 62-15; 64-13;
65-17; 69-21
