Friday, July 25th

Optional field trip to [Whiteface Mountain Observatory](#)

Lunch is being provided by Campbell Scientific. The Observatory is approximately 2.5 hours from Albany (5 hours roundtrip). Therefore, transportation will be available for anyone who is interested (likely via small buses and/or vans). To cover this transportation cost, a fee of \$25 will be available as an option on the meeting registration page. More details about the field trip will be made available closer to the event.

NOTE: A full meeting agenda will be provided in early July once all presentation topics have been submitted.
